

"European Student Theater Lab - Act for EU citizenship"

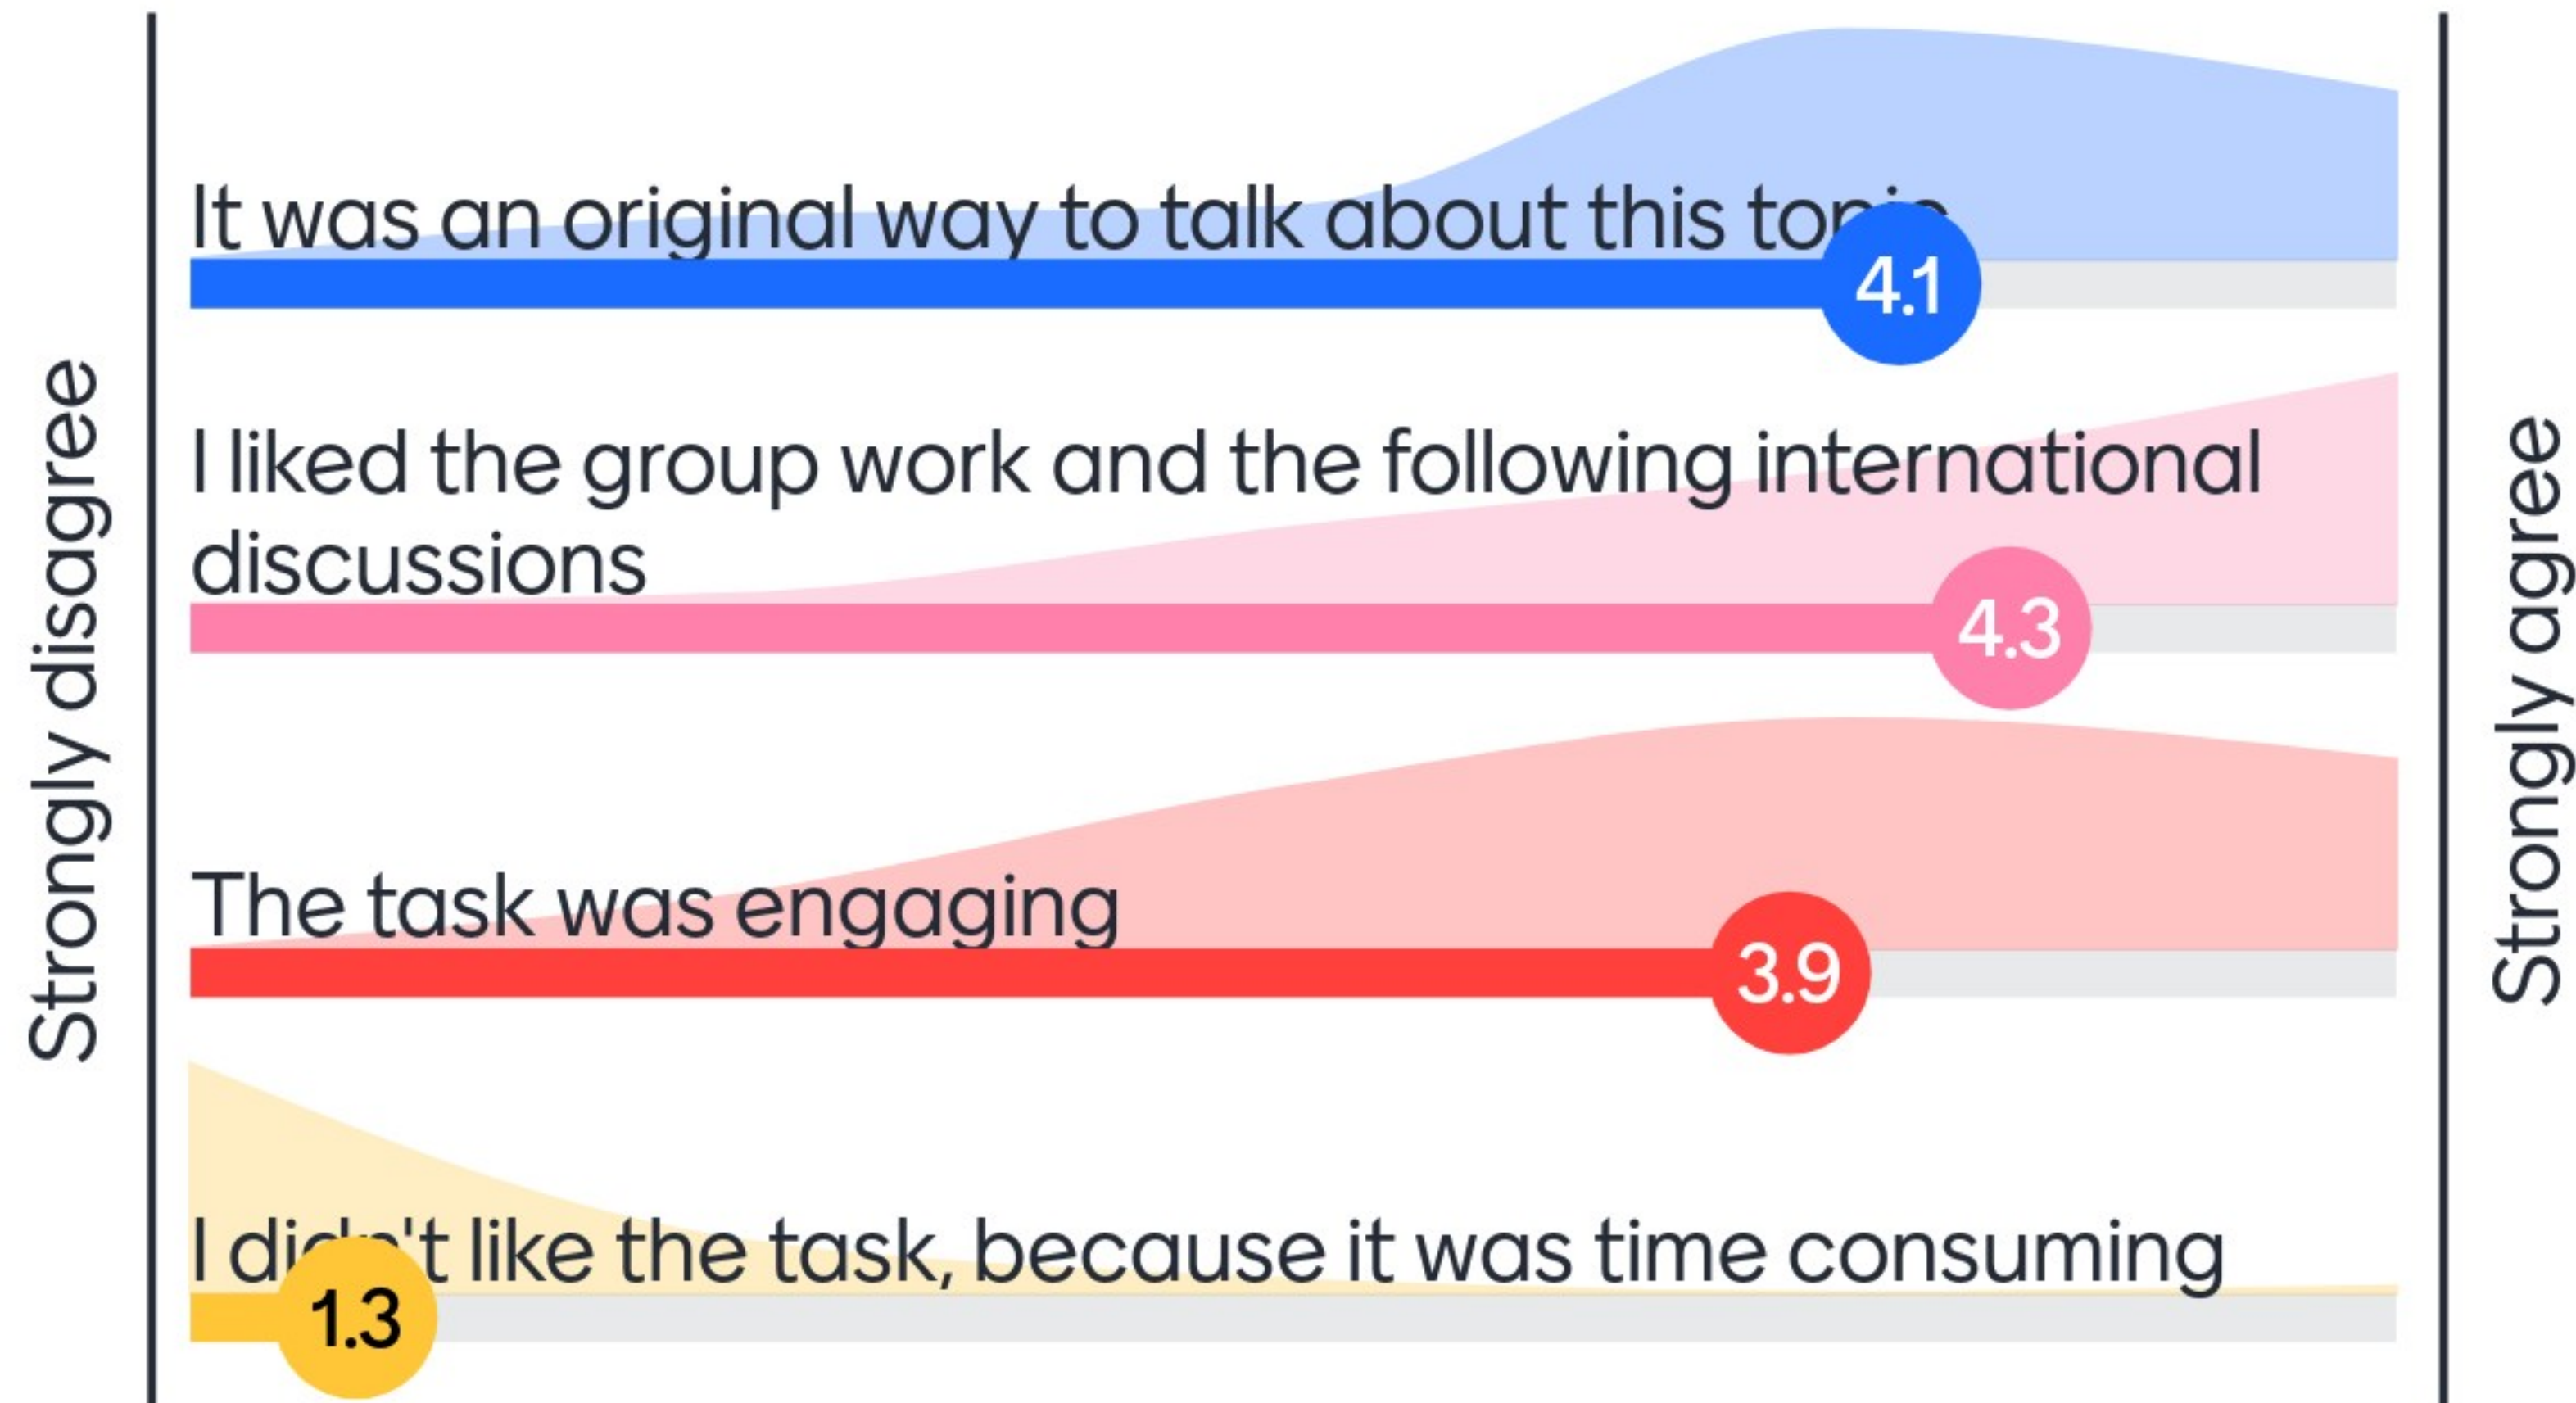

EQUALITY ON STAGE

ONLINE MEETINGS LATVIA 18-20.01.2022

Did you like discussing and interacting with your partners in the international groups?

What do you think about the activity of creating videos about EQUALITY ON STAGE?

List some positive aspects of the activities done when working in international groups online

You can meet new people

Cooperating with your classmates and teachers finding new solutions to this topic was a great skill to improve

Smart thinking and thinkings of new ways to show this to others

Talking, speaking and thinking about important topics

Nulla

Talking with young from different places

Talking with people from different countries

Opportunity to learn new perspectives

Meet new peopleCollaborationsConfrontation

List some positive aspects of the activities done when working in international groups online

It made me reflect about important matters

Learnt something new

You can listen to different opinions from different countries

- it was very interesting - it was a great way to meet new people

The ideas of the different students of different countries

I appreciate the fact that we had the occasion to share experiences from different countries

good interaction with other guys and kind teachers

-communication

Speaking English and thinking about important topics

List some positive aspects of the activities done when working in international groups online

I liked talking in English because it's always a good way to learn the language, it was also very interesting to know the opinions on the topic of people who are not from Italy.

Listening opinions of people from other countries

I really love discussing in group with other guys like me . We have different cultures but we were all here to think as one unique group.

1) il confronto e il dialogo con persone dalla mente aperta 2) la discussione di temi importanti come l'uguaglianza delle donne nell'ambito lavorativo e non solo

knowing the different positions about the theme of equality

*listening opinions of people from other countries was interesting

We spoken about world problems

Learnt new things

We spoke about interesting point

List some positive aspects of the activities done when working in international groups online

When working in international groups online you get to learn new things or develop your previous knowledge and also you get to meet new people and make new friends

Communication and unity in diversity

{1}meet new friends/people{2}learn how to communicate with others{3}cooperations {4}learn different opinions and ways of thinking {5}you get much more experience working on a group{6}exchange of ideas

It helps to know the world's problems

Learn some different opinions from students from different countries and compare them. With communication you meet new people and you are socialising

{1}met new people{2}cooperation {3}exchange ideas {4}friendly environment {5}learn different opinions and ways of thinking

When working in international groups online you get to learn new things or develop your previous knowledge and also you get to meet new people and make new friends

had the chance to make new friends learned about new things learned how to communicate with people from other countries

it was great people were so nice

List some positive aspects of the activities done when working in international groups online

The possibility to share ideas with peers

You can see different opinions

It's always nice to meet new people, everyone is really nice and i like it when we work with each other because this is how we can hear what everyone has to say about the subject ! :)

it was very good interacting with other students from other countries!!!

Es interesante escuchar a otras personas de diferentes sitios hablar en ingles y con diferentes acentos porque así te vas acostumbrando y aprendiendo

Talking with other students. Learning their point of view. Interactive on the same website was fun!

It's nice to hear opinions from people who are from different countries, It's different from what you're used to hearing

- it was a fun way to get to know one another

very original topic

List some positive aspects of the activities done when working in international groups online

I liked a lot to talk about these important aspects that are in our society nowadays

You meet different people from around the world and you have the chance to communicate with them

I really liked the experience since they think about very interesting things and they get in common.

Add some suggestions to improve the next online meetings

Maybe put some kinds of quiz at the end of every meeting

Maybe includes different topics

Internet connection

to be able to communicate everyday

Doing longer chat

Involving everyone

No

Noting

less question and more time for speaking with each other

Add some suggestions to improve the next online meetings

More interaction with the member of the group

more activities, maybe more interesting

I don't know

we should communicate more

We should let everyone speak in the meetings

work of reasoning to identify more

Maybe we could talk more about ourselves and the differences between our lives

More activities in order to let talking who is timid

Talk about talks more original

Add some suggestions to improve the next online meetings

{1}more time in the groups with the other students

to be able to communicate everyday

students being able to ask questions

- maybe the teachers need to be more clear with their explanation

Beter geluid voorzien bij iedereen. Geen galm geluid in de kamer bv.

During this meeting was an option to have subtitles while the next one wasn't. Those are helpful for hard of hearing person as myself

We could learn a little about each one of us and play some games that have to do with the topic

discuss other topics
